Classics & Enzymes

All facials include extractions as needed, based on your skin’s condition.

Prices start at the amounts listed.

The Classic

$105

A foundational facial customized to your skin. Includes a double cleanse, enzyme exfoliation, extractions as needed, a hydrating mask, and finishing skincare to leave your complexion feeling clean, soft, and balanced.

Enzyme Edit

$135

A customized enzyme treatment that gently exfoliates, smooths uneven texture, and brightens dull skin. Finished with a nourishing mask and customized skincare for a soft, healthy-looking glow.

Cranberry Lactic Glow

$165

An antioxidant-rich facial that pairs cranberry enzymes with lactic acid to gently exfoliate dull surface buildup, smooth uneven texture, and brighten your complexion. Hydrating and soothing ingredients help replenish moisture, leaving skin feeling soft and supple.

Enjoy time to unwind as a customized mask and nourishing finishing skincare complete your treatment. A lovely option if you’re not quite ready for a deeper peel but want gentle exfoliation, hydration, and a refreshed, luminous glow.

Fresh Start Clarifying Facial

$165

A clarifying fruit acid treatment for oily, congested, and breakout-prone skin. A blend of four fruit acids helps loosen pore buildup, smooth rough texture, and prepare the skin for extractions as needed. Finished with a soothing hydration mask and customized skincare. Great for teens—or skin that’s still acting like one.

Dealer’s Choice

$175

Not sure what your skin needs? Leave it to us. We’ll work together to curate a customized facial treatment that your skin is asking for, blending holistic care and advanced techniques around your concerns and goals.

We select from enzyme exfoliation or targeted peels, including lactic, glycolic, salicylic, or AHA + peptide options. Your treatment may include one of our complimentary advanced techniques, such as ultrasound, red light therapy, microcurrent, or INFUZE oxygen infusion.

A customized mask and finishing skincare complete your treatment, leaving skin feeling nourished and looking refreshed.

Zombie Peptide Firming Facial

$185

Bring tired, lackluster skin back to life with this customized facial featuring Circadia’s Firming Peptide Mask. Following cleansing and enzyme exfoliation, the mask tightens as it dries, creating a temporary lifted, firmer-looking appearance.

Skin-conditioning proteins, amino acids, honey, and antioxidants leave skin feeling soft and hydrated. Ideal for dull or mature skin and concerns about loss of firmness, this treatment leaves your complexion looking smoother and revitalized.

Boosted Zombie Facial

$235

Our Zombie Peptide Firming Facial gets a hydration boost with the HydraFacial Circadia Chrono-Peptide Booster and red light therapy. Following cleansing and enzyme exfoliation, Circadia’s Firming Peptide Mask creates a temporary lifted, firmer-looking appearance as it dries.

The HydraFacial booster adds targeted peptide care and hydration to complement the firming treatment, leaving skin feeling soft and looking smoother, refreshed, and luminous.

Advanced & Corrective Treatments

All facials include extractions as needed, based on your skin’s condition.

Smooth Focus Facial

$135

Smooth skin starts here. This customized facial features dermaplaning to gently remove dead surface skin and peach fuzz, revealing a softer, more polished complexion and helping makeup glide on more evenly. We pair it with enzyme exfoliation selected for your skin to lift away dull buildup and refine rough texture.

After exfoliation, we replenish and revitalize your skin with a customized mask and nourishing finishing skincare, leaving your complexion feeling soft, hydrated, and refreshed with a natural glow.

Let’s Clarify Dermaplane Facial

$165

A customized combination of dermaplaning and targeted peel exfoliation for skin that needs a little more refinement. Dermaplaning removes dead surface skin and peach fuzz, while a peel selected from Mr. Lulu’s Classic Dermaplaner, Happy Peel, or salicylic options helps address your concerns—from dullness and uneven texture to congestion and post-breakout marks.

We tailor the peel selection and intensity to your skin’s needs, then complete the treatment with a customized mask and finishing skincare for a smoother, brighter, more polished complexion.

The Makeover Dermaplane Facial

$185 | 70–90 minutes

A customized treatment that pairs dermaplaning to remove dead skin and peach fuzz with a peel selected for your skin’s needs, helping smooth uneven texture and brighten dull skin. We incorporate red light therapy, lymphatic massage, or ultrasound sculpting based on your skin’s goals. A nourishing mask and finishing skincare complete the experience, leaving skin feeling soft and looking luminous.

Advanced & Corrective Treatments

All facials include extractions as needed, based on your skin’s condition.

Double Down on Glow Peel

$195

Featuring Mr. Lulu’s Double Peel™ Method

Double down on clearer, brighter skin with a curated treatment specific to your skin’s needs. This two-phase peel pairs oil-based salicylic acid to loosen pore buildup with a customized azelaic acid peel to refine texture and brighten uneven tone.

We tailor the treatment intensity and product selection to address pigmentation and post-breakout marks, acne and congestion, or dullness and visible signs of aging. A customized mask and targeted finishing skincare leave your complexion looking smoother, clearer, and luminous.

Effective as a single treatment for a visible refresh, with more progressive correction through a series of three. Light to moderate flaking may occur.

The Skin Refinery

$175

A customized resurfacing treatment featuring Sanitas alpha-hydroxy, beta-hydroxy, or AHA + peptide peels, selected for your skin’s needs. Targeted exfoliation helps loosen dead skin buildup, refine rough texture, and improve the appearance of congestion, discoloration, and fine lines.

A customized mask and one of our advanced technologies, such as red light therapy or microcurrent, complement your peel based on your skin’s goals. Customized finishing skincare leaves your complexion feeling nourished and looking smoother, brighter, and refreshed.

The Next Chapter

$250

Turn the page on dull, uneven skin with this corrective Sanitas Jessner peel. A combination of lactic acid, salicylic acid, and resorcinol provides intensive exfoliation to address stubborn discoloration, congestion, rough texture, and the appearance of fine lines and superficial acne marks. Treatment intensity is tailored to your skin’s condition and previous peel experience.

Expect visible flaking and peeling that may last a week or longer, depending on your treatment and skin’s response. Preparation and customized aftercare are reviewed before your appointment.

Available during winter months only and for established clients following a skin assessment.

Advanced & Corrective Treatments

All facials include extractions as needed, based on your skin’s condition.

NOON Complexion Correction

$225

A curated corrective treatment featuring NOON Aesthetics professional peels, selected for your skin’s condition and goals. Options include glycolic peels to smooth texture and brighten dullness, salicylic peels for congestion and breakouts, pyruvic and lactic blends to refine texture and uneven tone, or a modified Jessner peel for discoloration and visible signs of aging. NOON’s DermShield™ technology helps minimize the redness and discomfort associated with exfoliation.

We curate the peel, targeted skincare, and finishing care around your needs for a smoother, brighter, more balanced-looking complexion.

Fire & Ice

$265

Customized NOON Peel + Triple MCH Technology

Our NOON corrective treatment gets a technology upgrade. A customized peel smooths uneven texture and brightens dull skin, followed by NOON’s Triple MCH device, which combines controlled warmth, cooling cryotherapy, and needle-free electroporation to enhance the delivery of targeted skincare. Electroporation uses brief electrical pulses to temporarily increase skin permeability, helping selected ingredients penetrate more effectively.

We customize the temperature settings and serum selection to your skin’s needs. The warming and cooling phases complement the resurfacing treatment for skin that feels hydrated and refreshed, with a brighter, smoother, firmer-looking finish.

The Golden Hour Glow & Sculpt Experience

$255 | 90 minutes

Featuring Leahlani Skincare

A holistic facial journey that invites you to slow down and breathe in the soft florals and bright citrus of Leahlani’s Hawaiian skincare. To smooth uneven texture and brighten dull skin, we customize your exfoliation with dermaplaning, an enzyme treatment, or a peel, depending on what your skin needs that day.

At the heart of your facial are 30 minutes of slow, intentional sculpting massage to ease facial tension, soften the look of puffiness, and bring out your natural contours. A nourishing, hydrating mask and red light therapy complete the experience. You’ll leave feeling deeply relaxed, with skin that feels soft and looks brighter, more sculpted, and luminous.

First-Timer’s Glow

$165 | 45 minutes

Express HydraFacial

A welcoming introduction to HydraFacial and a great starting point if you’ve never had a facial. This treatment combines cleansing, exfoliation, gentle vortex suction to lift pore buildup, and hydrating serums for skin that feels clean, smooth, and refreshed.

Hydra Boost

$235 | 60 minutes

Deluxe HydraFacial

Everything you love about HydraFacial, with customized care for your skin’s goals. Deep cleansing, exfoliation, and vortex extractions are followed by a targeted booster serum and LED light therapy to address your concerns and leave skin looking hydrated and luminous.

The HydraLux Experience

$285 | 70–90 minutes

Platinum-Level HydraFacial

Our most complete HydraFacial experience begins with lymphatic drainage massage to soften the look of puffiness, followed by deep cleansing, exfoliation, and vortex extractions. A customized booster serum and LED light therapy complete the treatment for a refreshed, hydrated complexion.

The Main Event

$225 | 45 minutes

Glo2Facial

Our red-carpet facial for a fresh, event-ready glow. Gentle Oxfoliation™ smooths and brightens, ultrasound helps infuse customized skincare, and a relaxing lymphatic massage softens the look of puffiness. Perfect before a wedding, reunion, birthday, or anytime your skin deserves the spotlight.

The Main Event Plus

$265 | 60 minutes

Glo2Facial with Neck & Décolleté Treatment and Red Light Therapy

Our signature red-carpet facial takes the glow from your face all the way down to your neckline. Enjoy everything in The Main Event, including gentle Oxfoliation™ to smooth and brighten, ultrasound to help infuse customized skincare, and a relaxing lymphatic massage to soften the look of puffiness.

With Plus, we extend the treatment to your neck and décolleté and finish with red light therapy for a fresh, event-ready glow.

HydraGlo

$325 | 70–90 minutes

HydraFacial + Glo2Facial

Two of our favorite facials come together in one treatment for skin that feels clean, hydrated, and silky smooth. HydraFacial uses gentle suction to clear buildup from pores while delivering hydrating serums. Glo2Facial adds gentle Oxfoliation™ to buff away dull surface skin, smooth rough texture, and bring out your natural glow.

Together, they target congestion and dehydration while giving dull, uneven skin a brighter, dewier finish. It’s the perfect pick before a special event or anytime you want photo-ready skin with a luminous glow that catches the light beautifully in close-ups.
